beauty health & lifestyle roadshow

Dear Exhibitor,

Now in our 7th very successful year we are delighted to offer our locations and dates for 2008.

The Beauty, Health & Lifestyle Roadshow is an innovative and exciting exhibition launched onto the outdoor events scene in 2002.

The luxury Beauty, Health & Lifestyle pavilion focuses on products and services for looking good, feeling great and lifestyle, which represents three main spend areas for the show-going public.

We have invested heavily in providing a bright airy environment making our marquee one of the best shopping mall experiences for both buyers and sellers on the agricultural circuit.

With over an 50% client retention year on year we know our locations, marquee positioning and publicity pulls in high quality customers year after year.

Please select the shows you would like to attend from the form overleaf and send the completed form together with your deposit of £150 + VAT for each show you will be attending. You will be invoiced for the outstanding amount 28 days prior to the start of each show.

Please book early as we have an 'no duplication' policy in our marquees.

We look forward to welcoming you aboard our 2008 Roadshow.

Yours faithfully,

David Rothstein

BHLR Ltd
